President's Welcome and Report: Steve McLoughlin

Welcome everybody

It's been quite a few weeks since we had a meeting as a group.

Welcome to Mark and Di

Di Stuart is moving from Warwick Qld. Di is moving from Warwick and was a member of the Warwick Rotary Club since 2004. She switched to another Club as they lost a few members but wanted the Club to keep going though meeting in the evenings and with Di doing various roles:

Community Service, Hosted International exchange students. She has been on friendship exchange herself.

She was Treasurer as she had a career in banking, but is not looking to be treasurer now. Rather she's looking forward to getting involved in this Community.

Board meeting

This was held tonight so a budget meeting can happen on 20th June.

Bring a friend night

A membership evening will be held on June 13. The loft room is not available so Marilyn is checking if we can use the CWA hall.

Please bring one person if you can.

Dave Perry

The Sapphire Paul Harris recognizes his many years of selfless work .

Shelter bags

Richard will update us, Laurens displayed the shelter bag by making himself right at home in it.

Salisbury Club have asked that we take a Shelter bag to their Club. Gawler Club gave us \$800 towards shelter bag project.

Laurens

Currently is on the Sailing ship The One and All. He left last Friday and arrives in Melbourne on Thursday to attend the Convention.

Exchange Student 2023/24

Elena Singuglia is our 23/24 student from Sicily, She is booked into Xavier College. Lynne will be her counsellor.

Marie was in Rotaract in Port Pirie and will be a host for Elena.

Barossa Air Show

We were tasked with running the car Park in a paddock that was a nightmare due to overnight rain affecting the dirt entrance and exit tracks. A \$3000.00 cheque has been received from the Barossa Club. Hopefully the next one will be improved.

Christmas Lights & Parade

Tony Piccolo, advised the Xmas Parade will run to APEX Park and asked if we would have the Christmas Lights up before December 2!

Apex are having an open film night on the same night.

We have been asked to be Marshalling during the Parade, as many of us have experienced members who have done the program before.

Rotary EXPO

Dave Weatherley has a pull up banner for Wheels in Motion. A banner, Shelter Bags and info on the Cambodian project will be taken by ML to Adelaide University. Ian and Richard will help to set up on 3rd June. Jenny is to prepare a roster for manning site at EXPO.

Richard Tucker—Shelter Bags

As mentioned by Steve, Gawler Club donated \$800 towards the swags for homeless people. I put in a Grant application for us to purchase 10 bags. With Winter coming on the bags are going out the door. We have had a bit of interest from other Clubs and the District governor was also showing interest. 900 in a container and a container is arriving soon to Victoria.

We would need to order by November to get bags in time for winter next year.

ML—Peace Poles

Gawler and District Interact Club has ordered a Peace Pole, it will go up in front of the School.

Saturday June 4th Rotary International president elect Gordon R McNally will be coming to Adelaide.

Dedication ceremony for the number one Peace pole starting at 10am – North Gate at Adelaide Oval.

Participatory budgeting nomination – please vote on local council say your voice if our project for an accessible peace garden is successful our club will donate a peace pole to the garden.

Darryl—Member Feedback

Feedback was good. The diversity of members preferences and opinions was mentioned. Members find difficulty with the Christmas Display so we have been to the football club who have offered to help us with this.

Ideas have arisen from suggestions considering our meeting format— Do we have a meeting every two weeks instead of weekly? Do we schedule a regular monthly social meeting?

Darryl—Footy Gates

Help is needed with this Saturday's gates.

Darryl—Minutes

The meeting was asked if there were any objections about recording of club meetings to assist with minute taking—no issues were raised.

Deanne—Fundraiser

Do we want to do a chocolate fundraiser?

ML—Ukraine

An update on Ukraine -New Dawn are helping people who have stayed in their village. Our Club contributed \$1000. They are building a medical centre hut and setting it up, we have asked if they need any medical stuff. It's about \$20,000 and we are working through the Ukraine rotary District 2232 who have a volunteer on the ground taking food and aide to villages. We got a \$25000 US grant for people to go in and help within Ukraine.

Jenny—Community

Went to Bunnings for the Community networking event, Gawler Community Garden were present as well as members from the View club who support the Smith family.

Hosted by Bunnings. We painted a terracotta pot; it was a marbling effect. They gave us some small gifts; it was a great opportunity to chat with other Community Clubs.

Bunnings offered prizes for fund raising and said to go and see them when we are running fund raising events. Community Garden are slowly progressing, had to spend \$6000.00 to get water onto the property.

Darryl—Changeover

A low cost club changeover is on June 25. It is at Café Nova from 1:30pm with plates of food followed by formalities. Duration about 3 hours. Please RSVP by June 11. Notify Darryl if you are coming so he can organize food.

Duncan—International

Most of you know we donated \$1000 for school books in the library at a high school in Cambodia.

Peter Matthews, a fellow Rotarian, has been helping us and his Rotary Club have donated another \$1000 for books. These books will be bought locally in Siem Reap.

Members Corner

Roger Freeman: Sold his Mother-In-Law's house and is now cleaning it up. His Mother-In-Law is in a nursing home now.

Dave Cockshell: First meeting back, he is progressing well and doctor's are happy. He is still only allowed to lift 2 kg.

President's Closing

Thanks everyone for being here tonight. Thanks Mark and Di for coming along tonight. Next week ML, Duncan & I will be at the Rotary International Convention—have a good meeting next week.
