Facebook: www.facebook.com/gawlerlightrotary

Instagram: [@gawlerlightrotary](https://www.instagram.com/gawlerlightrotary)

Committee meetings tonight.

Jenny Leadbeater: Community Committee

- Bunnings BBQ's, booked 1/4 & 3/6

Christmas Parade proposal was discussed – route, logistics to be discussed with Council and Police first.

Organising Committee will be formed and we have registered our interest.

Clean up Australia Day, this Sunday 5th March – roster is being circulated.

Relay for Life – roster has been emailed out today and will be circulated at the next meeting.

Shelter Bags, Mary from Terrigal NSW Rotary Club is here in SA in 2 weeks. Richard is organizing to meet her for coffee and have a chat about the project.

Duncan Power: International Committee

- Cycle for Recycle Project, as well as the Rotary Club of Manila who is our In-country partner in Rotary International Grant Application. I have been in touch with local Rotary club that is located close to where the @Eco-brick-hub@ site is to be established in Laguna.
- It appears that the senior government official who approved the use of the land and building for free is a member. This is the Rotary Club of San Pablo. More soon.
- Gawler Light Club funds set aside for International.
- My idea is twofold.
- The Khnao Po High School where we have our Water Entrepreneurs' project is in very urgent need of good quality library books for class 11/12 students. My idea is that we allocate 50% of funds available for the class 11/12 students is that we allocate 50% of funds available to that project.
- I checked the library on my last visit and it is appallingly inadequate for a senior high school. It is very much needed.
- I am meeting a contact next weekend in Thailand who is a poultry Farm owner and a member of the Rotary Club of Capalaba in Redlands City (near Brisbane) He thinks his club might be interested to match our contribution here.
- Given Marie Louise excellent initiative with the Ukraine Fund, I recommend that the other 50% of funds available for International can go to this desperately needed Rotary inspired fund.
- Feedback from everyone?
- Can we come up with a recommendation for Board meeting tomorrow evening?

Rotary Gawler Light – Youth Committee Meeting Notes 28 Feb 2022

1Present

M-I, Martin M, Bron, David W

2March 11 – Fringe in the park Event

Cater for 200 people. Water, Soft Drinks – get a smiley stamp to limit to one per person, sausages, bread, vego option. All to give away

Need 6 shelters – M-I to call Steve Barilla to get 2 from Gawler Club.

Roster for new week. Interactors will help, so need Rotarians mainly for set up at 8:30am and pack down at 1pm

Bron can assist with late time slot if needed. M-I can help with early.

Steve will tow trailer to site & organise onions. Some water and soft drinks left over from fringe – get more water. M-I will get sausages and bread

3Future of YEP Discussion

Agreement that having a YEP student really adds to the club vibe. Consider partnering with RC Gawler. David W said we have plenty of credits for inbounds, but we should promote to get outbounds for next year. We have not had an outbound since 2020 (Renee). Cost – Budget for inbound \$4000 & approx. \$1000 for outbound for blazer and other items(?)

4Ghost Tour – Pt Adelaide 28 March

Martin will send out reminders leading up to the event to get people to book online. Will also sent a list around at a meeting for bus and dinner number. Bus cost is \$100 – discuss at Board if club to fund or those travelling on the bus.

5Wheels in Motion

Going well financially at the moment. May is the challenging month at rego and insurance are due, but David thinks this will be OK. Keith doing 12 assessments this weekend. Hours booked each week varies a lot – 10 hours booked this week by 10 different participants.

29th April Skate Park BBQ – David is organising this and will call for volunteers from WiM mentors and the club and may need help to get the BBQ on site. This date coincides with the first football game.

6NYSF

Martin will get the name of a past NYSF attendee from the District chair Margaret Northcote. Once this is in place he will approach Xavier and Trinity to have a presentation to students seeking applicants.

7Village Fair Art Competition

Bron has updated the Ts&Cs for the event & updated the save date flyer for social media. Once checked by M-I we will promote on social media and also send to Trinity again as they would not promote the event without the Ts&Cs. Opening date for entries is 1 September. We will promote to all schools again once the online application is live.

Fundraising

I am willing to offer a week's free accommodation at Tao and my Kangaroo Island Air B&B property as part of an initiative to set up a lottery again.

Can we develop a Cinema evening in Elizabeth or even a Lottery on its own with other prizes too?

I am happy to be part-organiser but will need the help of others

Membership:

Rob Eley explained Perspective member: Andrew Holford about some of our programs.

The never ending mind-blowing adventures of Our International Exchange Student Laurens:

- Friday, went to school senior breakfast club, not as interesting as the junior one.
- We had a message there was a bushfire close to the school but I didn't see anything.
- Saturday I went to the City.
- Monday, we had the first student volunteering meeting about Give, Grow, Evolve.

Give Grow Evolve introduces volunteering concepts and experiences into school curriculum for students to achieve significant benefits to their learning, wellbeing and development.

Benefits include:

- *learning work and life skills*
- *developing empathy for others*
- *enhanced feelings of personal worth*
- *finding their purpose*
- *making education engaging and meaningful.*

Box 1577, Gawler SA 5118

Meetings: Most Tuesdays 6.15pm for 6.30pm meal, (Optional) .
7.15pm for 7.30pm meeting
