Heart of the Nation

Monday night 15th May 8 members attended the Rotary Club of Gawler meeting at Nixons.

The two Clubs listened to the Guest speaker Vivienne Goodenough talking about “The Heart of the Nation”.

Vivienne is a member of the Rotary Club of Strathalbyn. She shared the actual use of an AED that the Club had installed in a Rotarians front garden for use by the community.

This led to contact with Greg Page (the Yellow Wiggle) and a partnership was formed. With community donations and support Strathalbyn now has six AEDs in the district with more in the pipeline.

Clubs need to register their existing AED’s and if they purchase one through “Heart of the Nation” \$250 is donated by Greg Page to that Club.

At the opening of the 2023 Rotary International Assembly, Rotary International President Elect Gordon McNally announced the Rotary Theme for 2023-24: Create Hope in the World!

The theme was inspired and detailed with a story of hope following the tsunami in southeast Asia when he was given a small conch shell by a survivor who had lost her family, home and livelihood. The efforts of Rotarians had restored her optimism and given her hope.

The Afghan women who were determined to run—Hope overflowing restores & reinvigorates

A seasoned runner might take water and protein bars on a long training run, but girls and women in Afghanistan consider other equipment more essential: knuckle dusters or pepper spray, so that when anybody comes close, they can demonstrate they have something to defend themselves. It's one of the startling details in a 2019 documentary about female runners in Afghanistan.

The film is the culmination of years of work by Martin Parnell, a Rotarian from suburban Calgary, Alberta, and an avid runner. What he calls the greatest adventure of his life began in October 2015 when his wife, Sue, showed him a Guardian article describing the tribulations and triumph of 25-year-old Zainab Hussaini. That year, she became the lone woman to complete Afghanistan's first official marathon.

ROTARY CLUB INFORMATION LINKS

To see all the information on AEDs and The Heart of the Nation

- <https://www.heartofthenation.com.au/>

Go on a scavenger hunt and find the existing AEDs in your community. Encourage existing owners to register their unit with Heart of the Nation at no cost to them.

- <https://www.heartofthenation.com.au/join>

Encourage those that have an AED to purchase a GPS tracker so that they can always track where their unit is. (This helps to alleviate the fear of theft if the unit is accessible to the public).

Go to the dedicated Rotary 9510 page to connect and purchase
