CHANGE MAKER

IN COLLABORATION WITH LESS DEVELOPED NATIONS

KENNITH MARSH \$24,000 BEQUEST

INVITATION TO SHARE IDEAS

Take an active role identifying a need, embracing ideas and forming an innovative way to use Kenneth Marsh's Bequest as a real legacy of change.

Dear Members & Friends of Rotary,

A wonderful man, Kenneth Marsh, has made a bequest to the Rotary Club of Gawler Light of around **\$24,000** to be used Internationally. We are one of 20 charitable organizations that he chose to reflect his preference for developing health and education in less developed countries.

Perhaps we can find an innovative project that the club can fund as a real legacy of change?

Perhaps we can partner with other clubs to increase the funds available?

As our club's International Director, I offer the challenge for every member to come up with some creative ideas.

If you would like to participate by sharing

ideas, please write your proposal thoughts, sending them to me at **duncan@danaasia.org** or txt me 0419 472 802 **before 30 Sept., 2023**. We can then share those creative ideas at the Club and come up with a preferred project to take forward.

As a starting point, here are a few ideas:

Developing further the capacity in Cambodia of projects we have already done in partnership with the local Rotaract club in Siem Reap; or perhaps at another location currently in crisis. This could include the Burma Thai border where the influx of migrants, displaced from Myanmar have resulted in massive problems & great suffering. There is a particular need to develop a training centre for young people with livelihood skills who currently have no hope in their lives. A international project could also focus on empowering women and those living with a disability.

Chair: Richard Tucker

Cashier: Peter Harper

President Darryl

Opening Remarks

Welcome Taron, Di & Mark, Shirley (Rotary Club of Elizabeth & Tal.

Rosters for Gawler Show Carparking and the Swap Met have been sent via electronic volunteer sign-up.

Certificate received for our club's participation in the careers workshop in the civic centre. Another careers course in January 2024.

Rotary Information

Ian—Our global network consists of 1.4 million neighbours, friends, leaders, volunteers and schools that address community needs—we are all involved with that. Interesting short and sharp facts—we connect 1.4 million members worldwide; Approximately 47 million volunteer hours are worked every year. We fund sustainable projects of which 333 million were awarded to global services in 2020/21.

Youth Exchange Student—Taron

Today when I was at school we went outdoors in the morning and it was great fun. Today in Maths Class the teacher asked us to use a computer to do a test. I have done well in a cooking class and physical education.

Youth & Vocational Committee

Careers course—Council organised mock Interviews for job seekers. Several Rotarians from Gawler Light participated as the interviewers. There was a lot of variation in age for participants (teen to 50's) and amount of work they are looking for. It was a valuable exercise in which participants and the council appreciated our involvement.

WIM - Job & person specs will be available in upcoming months for people interested in the administration.

One & All Training/Interact — This Sunday is a reunion day for young people who have previously completed Rotary Youth Challenges. One and All opportunity - selection of Interactor for this program happening soon.

Peace poles organised. Steve will sort out who will fund 2nd peace pole costing \$350. Opportunity extended for others in our club to join the Interactors during their meetings.

Steve is keen to get information flowing from other interact clubs so there can be a sharing of ideas & meeting protocol. Meetings are lunch time Monday every fortnight. Steve to put out a list of when next interact meetings are.

Following on from Laurens, staff at Xavier have expressed initial interest in possibility of starting an Interact club.

Breakfast Club—Club members have made cheese toasties rather than the traditional toast only option and the students loved them.

Gawler Show Car Parking

Forms—signed & returned by Aug. 20.

Andrew was presented with his traffic marshal badge by Steve.

Mental Health First Aid

Discussion on organizing youth mental health forum. Rotary Foundation may help—Bron to investigate; Zonda may also be able to help.

Barossa Bush Gardens—possible vocational visit in late Sept or October, perhaps during school holidays on probably Tuesday during the day. Feedback from members invited. Ideas for other vocational/social trips invited. Send feedback to Grant.

Potential BBQ—Sept 9 at Reid Reserve, organized by Council. New playground will be opened to replace old one demolished by members.

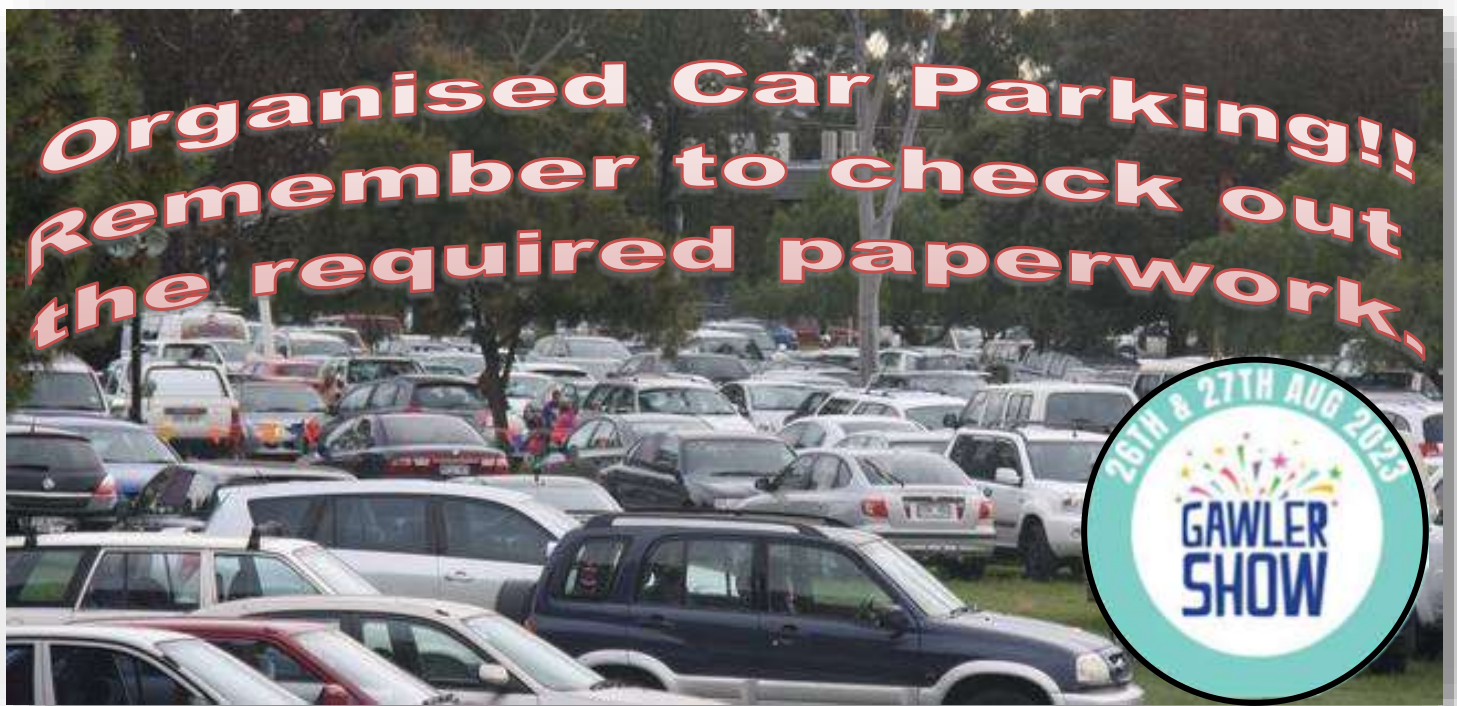

Social

Save Sun 24 Sept. It will be a pleasant afternoon at Greg's place. Just an informal social time and an opportunity to get to know Taron.

Below (and Front Page) :
