President Steve McLachlan's report:

Area 6 Meeting: Jenny, Darryl Laurens and I attended the Area 6 meeting on Monday night at the Playford Bowling Club. All 8 club were represented. I reported to the meeting our successes with The Wheels in Motion Project, the Interact Club at the Gawler and District College and promoted The Shelter Bag Pilot Program. This received a great deal of interest with at least 2 Cubs wanting more information. The District Governor asked for and has received more details of our project for promotion as well. Many thanks to Richard, Jenny, Darryl & Laurens for their enthusiasm.

Laurens our exchange student showing his enthusiasm representing Gawler Light @ the Area ... 6 Meeting.

Jenny is looking for someone to go to the Bunnings Event on the 18th May (info attached).

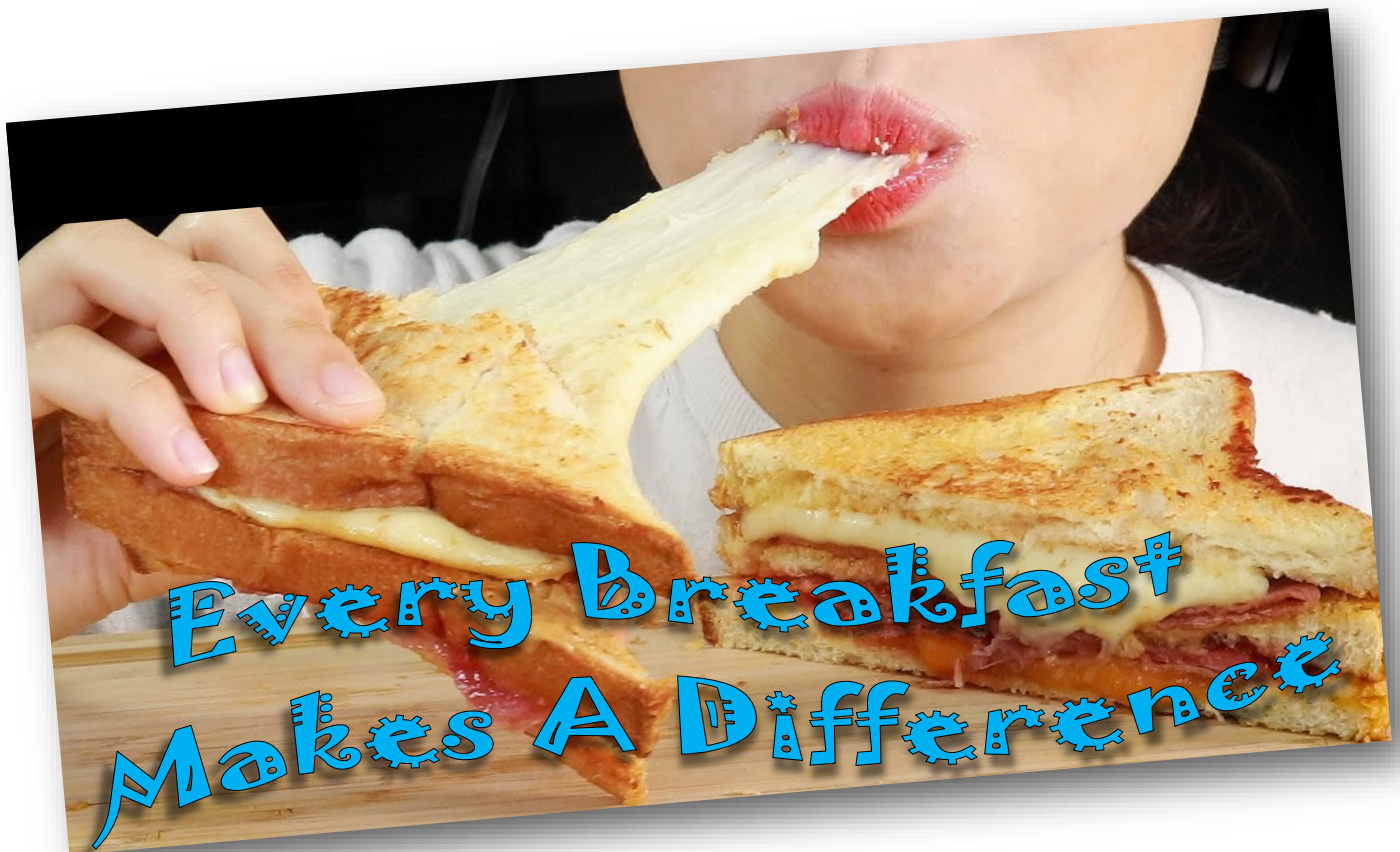

We have received an invitation to the Chartering of the Rotary Club of Lights View. (info included in Bulletin)

Guest Speakers & Social Activities

In consultation with the incoming president, Darryl, Grant Buik's club role now includes the Bulletin Editor, liaison with guest speakers and evaluating club interest in social and vocational activities.

Feedback on potential activities is necessary for Grant to support the wellbeing and interest of current and potential club members. Feedback proformas were distributed via email. Of course any feedback, via the proforma, txt, email or phone would be heaps awesome.
