Chairperson / President Darryl Opening Remarks

Meeting 1380 opened at 7:30pm by President Darryl who welcomed visitors/guests: Mark Branson (guest of Di Stuart), Nathaniel Hoffmann

Dave Cockshell – congratulations on receiving Medal of Order of Australia, for service to the community and geophysics. The presentation at Gov't house is in May. Our second recipient – Dick received his in 2013.

Di Stuart is now a member of RC Gawler Light officially transferring on 21 December 2023. Di is a Past President with a Paul Harris Fellowship. Di joined RC Warwick Sunrise in 2002; President 2007/08 Treasurer for several years and has held many Director roles. This week Di is cooking for the Shearers sharing her skills as caterer extraordinaire, and is a very good shot with a gun! Di said she is looking forward to sharing her many skills with the club.

Australia Day – Roby Eley, Matt Sanders and Dave Cockshell helped out at Gawler Event. Many others were at Roseworthy – thanks to all who helped. We have left over eggs and bacon which will be used at the Fringe.

International Womens Day Breakfast 8th March. Our clubs is sponsoring one of the scholarships. Our name will be on the PowerPoint Presentation – they want 2 slides highlighting our club's service – this is needed by 23 Feb. (Steve volunteered to do this).

Communications: With ClubRunner App on your phone, you can do a member search or check out District information. If you don't have it, get it!

From the Board meeting

AED in Julian Terrace has been stolen for the second time. The Council will replace it, but we will look at a more secure place and potentially put tracking on it.

Greg is to compile a key register.

This will be put on the website

Members asked to think about nominating for President 2025/26. Darryl was reluctant when he put up his hand, but said the role has not been as hard as he thought it would be as there is strong support from the Board and Members

Rotary Information Dave Cockshell
