## From the President . . .

My view of Rotary is that it is an organisation, an association of clubs, of which Gawler Light is but one. All clubs are made up of individuals – people like you and me.

My vision for this club is to

- Be active in serving our community - locally and globally.
- Developing us as better citizens by providing opportunities for us to grow as individuals.
- Enjoying the benefits of the broader organisation – links with other clubs and our District, and
- having fun while we're doing it.

We are now a little over a month into my term as President. We have already had some success and started the process for success with other activities. But it must be emphasised that no one person can do it all on their own. We need to work together . . . as a team . . . helping each other.

I am well aware that some members are going above and beyond with what they are doing, and I encourage others to participate too. Some members may be reluctant to step forward. Please don't feel like this. Please put your hand up and say you want to be involved or you want to be a champion for an event. You are supported!

I am attending the Kapunda Rotary Club's 60<sup>th</sup> anniversary dinner this weekend and it would have been great to see others from the club share this fabulous celebration. At Gawler Light, we've had our own reasons to celebrate - our 1000<sup>th</sup> meeting a few years was one of those events and we had great support from other clubs. How great would it be to see more of our members - including the newer and younger ones - be at these celebrations too.

We all lead busy lives and it is hard to fit everything in. Cost sometimes excludes us too. If you have any cause for concern or are struggling, please talk with someone. I'm here. Your friends in Rotary are here.

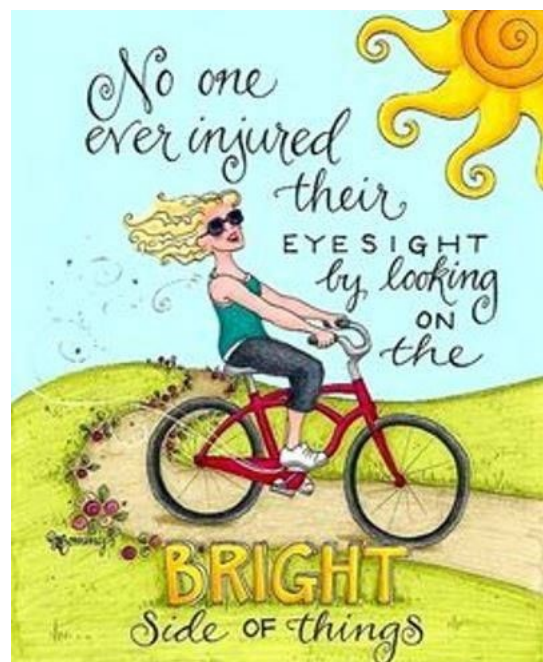

We are in this club together. We share the benefits of the organisation. We all joined Rotary for one reason or another. My reason was to serve the community and to give back to the world, all while enjoying the fun and friendship that Rotary offers.

Membership is declining, not just in Rotary but across other service organisations.

Let's come together, celebrate and support every one of us and those in other clubs too.

*Bron Anderson*

President 2019/20
