Cudlee Creek Bushfire Fencing Project

- The Rotary Club of Onkaparinga is facing closure of the Government funded Lobethal Bushfire Recovery Centre. However there are still many outstanding requests for fencing to be filled and the club's Fencing group expects to continue for another year. Blaze Aid left months ago and many of its members have now joined the club as volunteers.
- The work all started in January 2020. An average of seven fencing crews, club members and volunteers, are out each week over three days.
- The club gets funds from the RAWCS Disaster Fund, Government grants, community organizations and ad hoc donors.
- Rotarians are invited to come and work alongside a team (8.30am – 3pm) or to join the Fencing Group for drinks at the Rotary Shed, in the maintenance section of the old Onkaparinga Mill (now Henstock metal fabrication) in Lobethal from 4-5pm every Thursday afternoon.

Barossa Airshow: Dave Perry

- Briefed the Club on the details of the Barossa Airshow
- Outlined the location of the Airshow, traffic and parking aspects, COVID19 requirements, toilet locations, ticket checking, ticket on line sales and the roles and responsibilities of the volunteers
