Youth: Marie-louise Lees

- There was an interact meeting today; they had some good ideas and many of their goals are about having pride around the school
- They raised \$400 on the Quiz night; half of their funds will go towards an overseas project and the other half towards procuring a peace pole for the School which they are very excited about
- The Interactors next event is catering for the School staff, which may need some help from us; probably need to borrow our BBQ and a couple of people to help cook
- I would like Club members to visit and make presentations at the school at a later date

International: Duncan Power

- Will be in Asia for a month
- Will be in Cambodia for a week
- Meeting with the three students we sponsored
- The chicken project is experiencing a 85% survival rate which is very good and is a great benefit as the owner's wife has been in and out of hospital and any extra money certainly helped
- In regard the Solar project at the school, classes have started teaching this process

Community Service: Jenny Leadbeater

- A Roster is going around for the Family Fun night for the Gawler College on the 11Nov22
- I need three people to help on the BBQ and run the knock em down 5 – 8pm
- We will charge a \$1 donation which will come to the Club, perhaps donate towards the peace pole
